

BARBERTION CITY SCHOOLS
Race to the Top Update
January, 2011

During the month of January, principals were trained to use a Moodle, an online discussion forum. Beginning January 24th, the Moodle will be introduced and used by teachers and administrators. They will discuss, analyze, compare and contrast the new Common Core Standards and new state standards in Science and Social Studies with the current Ohio Content Standards. Teachers will continue to work on the standards comparisons during data/team meetings and post their ideas and comments to share with others in the district.

Upcoming training/meetings the RttT team members will attend:

January 20, 2011 Battelle for Kids – Assurance Area C (Using Data to Improve Instruction) and Assurance Area D (Great Teachers and Leaders)

January 21, 2011 Best Practices in Student Data Management

February 9, 2011 Northeast Regional Meeting – Opportunities and Challenges Implementing RttT

February 9, 2011 Haberman Training (Teacher interview program)
