Key Accomplishments and Challenges

On January 10th, the teacher evaluation committee reviewed the following items: our commitment as it relates to RttT for teacher evaluations, our scope of work for teacher evaluations in our RttT proposal and reviewed the released OTES Model for teacher evaluation. In addition, they scheduled meetings for the remainder of the school year as it relates to the OTES scope of RttT work.

All members (16 middle school math teachers and 4 intervention specialists) of the FAMS (Formative Assessment Middle School Pilot) grant have begun work on the formative assessment modules created by Battle for Kids.
