Dear Families,

We wish we could say we’re getting used to this new normal, but that would be lying. We miss being with our students and other staff members. For those who have connected with us through Zoom conferences or videos, thank you! We are continuing to monitor the distance learning plan we have in place and will update you should something change.

In the meantime, please keep your kiddo on track with the daily activities outlined on our second-grade website:

https://sites.google.com/lakewoodlocal.k12.oh.us/hebron-second-grade/

The daily/weekly activities will continue to be the same. There may be some additions added to the resources, so check there from time to time.

Your teacher is monitoring your child’s computer usage and progress each week. This will help determine a grade at the end of the school year. Please make sure you are able to allow time for on-line learning.

We realize this is a crazy time for your family and appreciate all you’re doing to ensure your child’s learning is moving forward.😊
