Families will have the choice of enrolling their student/s in the Reynoldsburg Virtual Academy OR keeping their student/s in whichever plan under which Reynoldsburg City Schools is operating. There is no choice between “All In” or “Hybrid”. In the event that we start the school year 100% digitally, the RCS Virtual Academy will not be available until we start the “All-In” or “Hybrid” models.

Level 1 – 4 require compliance with all health orders

- The Risk Levels will be one factor used to determine model
- The District or an individual building *may* be directed to close by Franklin County Public Health (FCPH)
- If ODE or FCPH develop “District specific” Risk Levels, those *may* become triggers for changes
- If teacher and/or staff COVID-19 absenteeism outpaces available substitutes, school *may* shift to All Digital Plan

All plans are subject to change based on evolving conditions, data about the status of the pandemic, and recommendations and guidance from public health authorities and the scientific community.

COMMON AREA PROCEDURES

Clinic Procedures

**Elementary**
Clinic would be used for students who show COVID symptoms, who are very ill or who take medications.
- All students must wear a mask while in the clinic
- No more than three students in the clinic at a time
- Additional room/s may be used for COVID or non-COVID specific students

**Secondary**
- One clinic for “daily injuries/illnesses” and medication
- One “clinic” for students who show COVID symptoms

Restrooms

**Elementary**
- One student per classroom at a time
- No more than 3 students in the restroom; students need to wait in the hallway if there are already 3 in the restroom
- Clearly mark where students wait to enter the restroom

**Secondary**
- Limit 3 students in a restroom at one time – it will be an honor system with students, but we would put caution tape over one or two stalls/urinals to limit access
- Clearly mark where students wait to enter the restroom.

All plans are subject to change based on evolving conditions, data about the status of the pandemic, and recommendations and guidance from public health authorities and the scientific community.
