Due to the current circumstance regarding COVID-19, we are offering summer school at no cost this year only. Summer School begins on Tuesday, June 2 and concludes on Thursday, July 9. Students will complete all online work, remotely from home. - Benchmark One: ending on June 10
- Benchmark Two: ending on June 19
- Benchmark Three: ending on June 30

Please note: these benchmarks are for the purposes of checking progress. If your student is not meeting his/her benchmark which is specifically outlined in the summer school educational plan, your student may be disqualified from earning any credit.
